

The Miracle of the Gifted 1 / 4
~Since it is the Truth~

The continuity of life for billions of years is supported by many miracles.

Kakko-chan is a teacher of a school for challenged children (currently special-needs school) in Ishikawa.

“To live is wonderful,” and “To love is very important.” the children keep telling her that.

Children have splendid powers, so Kakko-chan continues writing books and going on a lecture tour to talk about it.
